**EXPLANATORY STATEMENT PURSUANT TO SECTION 102
OF THE COMPANIES ACT, 2013.**

ITEM No. 6

Because of nature of business of the company and because of several ongoing regulatory as well as scientific and commercial developments, the Board of Directors recommend that it is important to maintain continuity of the top management of company at this critical juncture, hence the Board recommends that Dr. K. Koteswara Rao, who attained the age of 70 years, continues to function as Managing Director of the company for another 1 (one) year.

ITEM No. 7

The company is currently involved in the research and development of certain API's and Nutraceuticals – for which the company has also been offered an opportunity for commercial production as well. These products will not involve any marketing or sales as the sponsor of the research will be the buyer of any material manufactured. This is an opportunity unlike any other we have had in the past. All of this activity, along with manufacturing, and our creditor Union Bank require funds. The management is looking at various fund raising options including potential sale of un-utilised or unnecessary assets lying idle and unutilized for several years that may help us fund R&D, operational and manufacturing activities and that which does not in any way affect the current operations of the company either in R&D or manufacturing sections.

ITEM NO. 8

Last year, the management of the company had initiated a process to form a subsidiary enabling technology licensing and partnering with companies who are averse to a direct transaction with Transgene. Although the process was started, it was not completed for reasons of timing and keeping in mind of the costs and efforts involved in setting up and maintaining the subsidiary. This process will now be completed. The shareholding pattern will reflect the same shareholding pattern of the parent company.

TWENTY SIXTH ANNUAL REPORT 2015-16

DIRECTORS REPORT

Dear Shareholders

Your Directors invite you to the 26th Annual Report on the business & operations of the Company and Audited Statement of Accounts for the year ended 31st March, 2016 along with the Auditor's Report thereon.

Financial Results

(Rs. In Lakhs)

Particulars	2015-2016	2014- 2015
Total Income	34.98	33.27
Operational, Administration and other expenses	131.28	1946.22
Gross Operating Profit	(96.29)	(1912.94)
Interest and Financial Charges	7.31	35.97
Forex Gain/Loss	0.00	0.00
Depreciation	2050.23	1718.05
Profit before Tax/Loss	(2153.84)	(1913.55)
Provision for Tax	0.00	0.00
Net Profit	(2153.84)	(1913.55)

OPERATIONS

The total turnover of the company for the year ended 31st March, 2016 amounted to Rs. 34.98 Lakhs as against Rs. 33.27 Lakhs in the previous year. The company incurred a net Loss of Rs. 2153.84 Lakhs for the year as against a loss of Rs. 1913.54 Lakhs in the previous year.

AUDITORS' COMMENTS

The subsidiary of the company Transgene Biotek HK Ltd has not been operating for the entire year and the audit report has not been received by the management. Therefore, the auditors are unable to express opinion on this.

Review and results of operations

The production of DHA at our partner's plant in our vicinity has been steadily improving after revamping certain parameters on the quality of product required by the vendors. However, we are cautiously moving forward with the demand on this biologically produced product facing challenges from the Chinese chemically synthesized ones.

The operations of the company continue to be severely affected due to lack of financial support because of the continuing SEBI order on the Directors and promoters of the company. This matter is now pending at SAT.

The management has been continuing its efforts to recover the funds transferred illegally from its accounts at Investec bank, Zurich to various entities apart from the account of its subsidiary Transgene Biotek HK Ltd at Standard Chartered Bank, Singapore.

Projects and products

DHA: As reported already, production of DHA is slowly improving at our partner's facility Rampex Labs Pvt Ltd.

Other projects: The management is cautiously optimistic, with the currently ongoing discussions with two parties for sale of technology/manufacture and supply of finished API products.

BIO-INNOVATIONS

The management feels highly optimistic about the progress of this division in the coming days.

TrabiORAL™ - Oral delivery of protein and peptide drugs

This technology is revitalized after the prolonged dialogue with different parties reaching critical milestones. Therefore, the management wants to stay focused on this development till the final goal is achieved.

ONCOLOGY

Our Oncology division too, in particular our r-AAV platform, has drawn the attention of some major customers although we are still at preliminary stage of the dialogue at present.

TBL-0404 Liver Cancer Drug

It has already been reported about our patent pertaining to Micro RNA-101 for the treatment of Liver Cancer has been approved in USA which is a significant achievement. In fact, our current genetically engineered AAV delivery platform appears to hold a tremendous potential in not only delivering RNAi drugs but also useful in gene therapy.

Intellectual property and patents: As stated during the last AGM all the patents filed so far have been advancing very well reaching national level stages in several major countries such as India, USA, Europe, Japan etc involving additional costs in filing.

Although we believe that our patents provide certain protection from competition, we caution that such patents may not be of substantial protection or of commercial benefit to us and they may not afford us adequate protection from competing products, or they will not be challenged or declared invalid in future.

Employee: The management is trying to manage the available financial resources to retain the existing employees taking adequate steps not to lose focus on the ongoing projects that benefits the company and employees alike.

DIVIDEND

Your Directors are unable to recommend any dividend since the company has not made any profits.

TWENTY SIXTH ANNUAL REPORT 2015-16

GROWTH PLANS AND OUTLOOK AT TRANSGENE

The adverse impact of the continuing SEBI order on the board of Directors and promoters of the company has put the company in a challenging position and the management is trying hard to overcome all those challenges and rediscover the path of development. As briefed above, the management is exploring various opportunities and possibilities in overcoming those challenges and put the strong product development cycle on a sound footing so as to complete the development of each product to its objective. Since the data generated is getting more robust as more studies are conducted, it only reinforces the novelty, inventiveness and value accrued in each product as we move into future with the company.

Subsidiary Company - Transgene Biotek HK Limited

There are no activities undertaken at the subsidiary during the year 2015-16. The management feels that there is no purpose served in continuing with the subsidiary considering the costs involved in maintaining the company without any need.

Therefore, in view of all operations being shut down more than three years ago with no activities of any sort, the management has not received an Audit Report.

However, the focus has not been lost regarding the irregularities committed through the account at Standard Chartered Bank, Singapore with efforts continuing for the recovery of funds transferred illegally from its account. A Statement pursuant to Section 129, read with Rule 5 of the Companies (Accounts) Rules, 2014 in Form AOC – 1 is attached as “**Annexure –A**”

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report, pursuant to SEBI (Listing Obligations and

Disclosure Requirements) Regulations, 2015, forms part of this Report and is annexed hereto as “**Annexure B**”.

CORPORATE GOVERNANCE AND SHAREHOLDERS INFORMATION

Your Company has taken adequate steps to adhere to all the stipulations laid down in under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. A report on Corporate Governance is included as part of this Annual Report as “**Annexure – C**”.

Certificate from the Statutory Auditors of the company M/s. Gopal & Rajan, Chartered Accountants confirming the compliance with the conditions of Corporate Governance as Stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is included as part of this report as “**Annexure D**”

DEMATERIALISATION OF SHARES

86.17% of the company's paid up Equity Share Capital is in dematerialized form as on 31st March, 2016 and balance 13.83 % is in physical form. The Company's Registrars are M/s. Big Share Services Pvt Ltd, 306, Right Wing, 3rd Floor, Amrutha Ville, Opp. Yashoda Hospital, Raj Bhavan Rd, Somajiguda, Hyderabad, Telangana-500 082.

Number of Board Meetings held

The Board of Directors duly met 6 (Six) times during the financial year from 1st April, 2015 to 31st March 2016 the details of which are furnished in the report on Corporate Governance.

Board evaluation

The Board of Directors has carried out an annual evaluation of its own performance, Board committees and individual directors pursuant to the provisions of the Act and the corporate governance requirements as prescribed by SEBI under Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015).

The performance of the Board was evaluated by the Board after seeking inputs from all the directors on the basis of the criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of the criteria such as the composition of committees, effectiveness of committee meetings, etc.

The Board and the Nomination and Remuneration Committee (“NRC”) reviewed the performance of the individual directors on the basis of the criteria such as the contribution of the individual director to the Board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the Chairman was also evaluated on the key aspects of his role.

In a separate meeting of independent Directors, performance of non-independent directors, performance of the board as a whole and performance of the Chairman was evaluated, taking into account the views of executive directors and non-executive directors. The same was discussed in the board meeting that followed the meeting of the independent Directors, at which the performance of the Board, its committees and individual directors was also discussed.

Appointment of Independent Directors

Company is having only one Independent Director. The Company is supposed to have at least two Independent Directors. Keeping in view of the SEBI – GDR issues no one is showing interest to join the Company as Independent Directors. However, the Management of the Company is constantly trying to bring in an Independent Director.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The biotechnology sector of India is highly innovative and is on a strong growth trajectory. The sector, with its immense growth potential, will continue to play a significant role as an innovative manufacturing hub. The sector is one of the most significant sectors in enhancing India’s global profile as well as contributing to the growth of the economy.

India is among the top 12 biotech destinations in the world and ranks third in the Asia-Pacific region. India has the second-highest number of US Food and Drug Administration (USFDA)–approved plants, after the USA and is the largest producer of recombinant Hepatitis B vaccine. Out of the top 10 biotech companies in India (by revenue), seven have expertise in biopharmaceuticals and three nauthoriz in agri-biotech.

India has no dearth of talent in biotechnology, as a number of institutions, both government and autonomous, provide the necessary opportunities for the students seeking to obtain a degree in this sector. The Government of India has provided adequate scope to this sector by providing facilities for Research and Development (R&D) in the field of biotechnology.

Market size

The Indian biotech industry holds about 2 per cent share of the global biotech industry. The biotechnology industry in India, comprising about 800 companies, is valued at US\$ 11 billion and is growing at a Compound Annual Growth Rate (CAGR) of 20 per cent. The government has to invest US\$ 5 billion to develop human capital, infrastructure and research initiatives if it is to realize the dream of growing the sector into a US\$ 100 billion industry by 2025, as per Union Minister for Science and Technology Dr Harsh Vardhan.

Biopharma is the largest sector contributing about 64 per cent of the total revenue followed by bioservices (18 per cent), bio-agri (14 per cent), bio-industry (3 per cent), and bioinformatics contributing (1 per cent). The high demand for different biotech products has also opened up scope for the foreign companies to set up base in India. India has emerged as a leading destination for clinical trials, contract research and manufacturing activities owing to the growth in the bioservices sector.

Opportunities and challenges

The Government of India has taken several initiatives to improve the biotechnology sector in the country as well as offer enough scope for research in this field. The Department of Biotechnology (DBT) along with other government funded institutions such as National Biotechnology Board (NBTB) and many other autonomous bodies representing the biotechnology sector, are working together in order to project India as a global hub for biotech research and business excellence.

The National Science and Technology Policy of the Government and the Vision Statement on Biotechnology issued by the Department of Biotechnology have directed notable interventions in the public and private sectors to foster life sciences and biotechnology. There has been substantial progress in terms of support for R&D, human resource generation and infrastructure development over the past decade. With the introduction of the product patent regime it is imperative to achieve higher levels of innovation in order to be globally competitive. The challenge now is to join the global biotech league.

SEBI has passed an interim order during November, 2014 following its internal investigation on the Promoters and Directors of the Company inter alia refraining the Company from issuing / dealing with any securities. The Company has appealed against the same order.

The same interim order has been reconfirmed in March 2016 after the personal hearing by the Whole Time Director, Sri Rajeev Agarwal.

During this period the Company has sought and received opinion from the Ex-Joint Director, Forensic Section of AP Police Department stating that the Letters of Instruction submitted to the bank were indeed forged. Based on the newly evident opinion from forensic expert, an appeal was made to the Securities Appellate Tribunal (SAT) with a plea to stay the operation and effect of the Impugned Order pending disposal of the Appeal.

Apart from the actions taken by the management at SAT, an FIR was initially filed at the local police station of the company but the said PS has closed the complaint after more than one year stating that due to their limited resources and knowledge in investigating such matters hence unable to investigate the matter further.

The Company therefore now is seeking the help of Central Crime Investigation department in the State of Telangana with a request to investigate the case, identify the main culprits and help in recovering the looted funds.

In addition to the above actions undertaken, the management has engaged the services of an experienced and highly reputed legal firm in Britain for the recovery of funds from all the concerned entities that helped in siphoning out the funds from the account of Transgene Biotek at Investec Bank, Zurich, Standard Chartered Bank, Singapore and from the Lead manager of the GDR issue Fundabilis GmbH.

TWENTY SIXTH ANNUAL REPORT 2015-16

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS
TRANSGENE BIOTEK LIMITED

Report on the Financial Statements

We have audited the accompanying Financial statements of TRANSGENE BIOTEK LIMITED ("the Company"), which comprises the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material mis-statement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2016;
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

1. Attention is brought to Note No. 9 to the Notes to Accounts under the heading “Non-Current Investments” amounting to Rs.9220.10 Lakhs made in the wholly owned subsidiary company viz. Transgene Biotech HK Limited (1,69,52,001 shares of US \$ 1 each). The accounts of the said subsidiary have not been audited as per the applicable local laws for the FY 2015-16 as explained by the management in the notes to accounts. In the absence of alternative methodologies to independently evaluate the same, we are unable to express an opinion whether the said sum as reflected under the above head is recoverable at the value at which it is stated. Management, as a prudent measure, made full provision in the books of accounts considering the above development.
2. Attention is also brought to the fact that Securities and Exchange Board of India (SEBI) had conducted Preliminary Inquiry on receiving certain complaints on the matter of GDRs issued by the Company and its utilization thereof, basically on the angle of protection of Investors’ interest. SEBI prima facie concluded that the GDR proceeds have been transferred by the Company, directly or indirectly, through foreign subsidiary for undisclosed purposes under the garb of consideration for technology transfer and consequently passed an interim Order inter alia, refraining the Company from issuing any securities. The Company has appealed against the said Order. We are unable to comment, at this stage, on the impact this Order will have on the Company as a going concern. We are also unable to quantify, at the stage, the financial impact of this Order on the Company, as the Management has informed us that the Company is in the process of taking steps for recovery of amounts raised in the GDR.
3. The findings of the SEBI as per their Order on the utilization/transfer of GDR proceeds for undisclosed purposes point out towards violations of the provisions of the Foreign Exchange Management Act as well as GDR approval conditions, the impact of which we are unable to quantify at this stage.
4. Attention is brought to the fact that there is an outstanding balance of Rs. 2302.00 lakhs which pertains to advance given to a Party out of the proceeds of GDR. Consequent to the order of the SEBI as aforesaid and the contention of the management that the payments were made without Company’s authorization or knowledge, we are unable to opine whether this amount is recoverable or not as we are unable to obtain confirmation from the concerned Party. However, the Management as a prudent measure, made full provision for the amount, in the Books of Account considering the above facts.

TWENTY SIXTH ANNUAL REPORT 2015-16

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Act, based on the comments in the auditors' report of the Company and on the auditors' reports issued in accordance with the Order on subsidiary companies incorporated in India, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. To the extent applicable As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31 March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - g. With respect to the other matters included in the Auditor's Report and to our best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which required to be transferred to the Investor Protection Fund.

TWENTY SIXTH ANNUAL REPORT 2015-16

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of TRANSGENE BIOTEK LIMITED (“the Company”) as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorized orders of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, has an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The accompanying financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accruals basis. GAAP comprises mandatory accounting standards issued by the Institute of Chartered Accountants of India (ICAI), the provisions of the Companies Act, 2013 and guidelines issued by the Securities and Exchange Board of India. Accounting policies have been consistently applied and management evaluates all recently issued or revised accounting standards on an ongoing basis.

1. FIXED ASSETS AND DEPRECIATION:

Fixed Assets are stated at cost of acquisition, less accumulated depreciation and impairment losses, if any. The cost of the assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for intended use and other incidental expenses incurred up to that date.

In respect of fixed assets (other than freehold land and capital work-in-progress) acquired during the year, depreciation / amortization is charged on a straight line basis so as to write-off the cost of the assets over the useful lives and for the assets acquired prior to April 1, 2015, the carrying amount as on April 1, 2015 is depreciated over the remaining useful life based on an evaluation.

The depreciation of assets is calculated as per the Companies Act 2013 retrospectively on the whole value of the block of assets and difference of depreciation arrived at has been transferred to the retained earnings / Depreciation account appropriately.

2. REVENUE RECOGNITION

Revenue for the company is in the form of Facility rental and Medical diagnostic services. Revenue from sales and services are recognized on formal acceptance by the customer/patient.

3. INVENTORIES

Raw Materials/Inventory - At Cost or the net realizable value whichever is less.

Cost is determined on a First in First out basis.

Finished Goods - At cost or net realizable value whichever is less.

4. PRODUCT DEVELOPMENT EXPENDITURE

Expenditure on the ongoing product development for "Meningitis Vaccine, Erythropoietin, Tacrolimus, Statins (Orlistat, Lovastatin Pravastatin), Cancer products and Oral Insulin will be capitalized and written off over a period of the expected useful life of the respective products after obtaining commercial license/commencement of commercial production of the same.

TWENTY SIXTH ANNUAL REPORT 2015-16

(Amount in Rs)

Opening Balance	Additions *	Closing Balance
31,98,85,402	Nil	31,98,85,402

* Total amount incurred on development of products during 2015-16

The management is of the opinion that the product development expenditure incurred on the products is technically feasible to generate future economic benefits and the company has sufficient technical resources to complete it.

5. RETIREMENT BENEFITS

- A) The Company is contributing to the Employees Provident fund maintained under the Employees Provident Fund Scheme by the Central Government.
- B) Leave encashment is not provided during the year.
- C) No provision is made towards the gratuity of employees.

6. INTERNALLY GENERATED INTANGIBLE ASSETS

Direct and indirect costs incurred during planning stage, and on operational activities charged to revenue in the year in which it has incurred.

Direct cost incurred on application & infrastructure development, design and content development stages are capitalized if and only if (i) it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and (ii) the cost of the asset can be measured reliably. Indirect cost incurred during application, infrastructure, development stage are charged to revenue.

7. EARNINGS PER SHARE

In determining earnings per share, the company considers the net profit after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average shares outstanding during the year.

8. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated. Cash flows in foreign currencies are accounted at average monthly exchange rates that approximate the actual rates exchange prevailing at the dates of the transactions.

9. INCOME-TAX

In view of the current year loss and the losses accumulated in the previous years no liability on income tax is expected. As there is no certainty in utilizing the deferred tax asset, hence, the deferred tax asset has not been recognized in the books of accounts.

**B. NOTES FORMING PART OF THE ACCOUNTS**

Independent Auditors' Report (Consolidated)

TO,
THE MEMBERS OF
TRANSGENE BIOTEK LIMITED AND ITS SUBSIDIARY

Report on the Financial Statements

We have audited the attached Consolidated Balance Sheet of M/s TRANSGENE BIOTEK LIMITED ('the Company') and its subsidiary, which comprise the Consolidated Balance Sheet as at March 31, 2016, Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year ended on that date and a summary of Significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the position, financial performance and cash flows of the company in accordance with the accounting standards notified under the Companies Act, 2013 ("the Act") (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated September 13, 2013 of the Ministry of Corporate Affairs) and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

We did not audit the financial statements of the subsidiary, whose financial statements reflect their share of total assets of Rs.11,210.08 Lakhs as on 31st March, 2016. Further, an amount of Rs.11,209.22 Lakhs was given as Advances for development of technology by the Overseas Subsidiary Company out of GDR proceeds during the earlier year(s), which was not covered by our audit. During the year the books of Hong Kong branch of the company were not audited by the auditors since the auditors were not appointed for the year. Consequently, we are unable to express an opinion whether the consolidated financial statements, to the extent mentioned above, show a true and fair view of the state of affairs, loss and cash flows respectively.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the

TWENTY SIXTH ANNUAL REPORT 2015-16

appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that we have not obtained any that is sufficient and appropriate to provide a basis for our audit opinion

Opinion

Since we have not received audit report of Transgene Biotek HK Limited we are unable to express an opinion on the consolidated financial statements of Transgene Biotek Limited for the FY 2015-16.

- i) In the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at 31st March, 2016; and
- ii) In the case of the Consolidated Statement of Profit and Loss, of the consolidated Loss for the year ended on that date;
